

# Grab Bar + Accessory

Don't choose between safety and function when you can get both.

## Why choose the **PLUS** Series?

### Safety is #1

Designed and tested to support 500lbs; exceeds ADA guidelines of 250lbs.

### ADA compliant

1.25" rail diameter is designed for maximum comfort and gripping.

### Stainless steel shelving

Durable shelves with drainage holes ensure water won't pool.

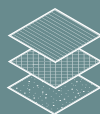

### Easy to clean

Smooth surfaces & easily accessible parts.

### Easy installation

Designed to ensure you can easily hit your stud.

### 3 Finishes

Available in brushed stainless steel, polished chrome and matte black.
