

# Don't choose between safety and style.

Elevate your bathroom safety  
with the perfect combination  
of style and function.

## Why choose the INVISIA Collection

### Safety is #1

Designed and tested to  
support 500lbs; exceeds ADA  
guidelines of 250lbs.

### ADA compliant

1.25" rail diameter is  
designed for maximum  
comfort and gripping.

### Easy to clean

Smooth surfaces & easily  
accessible parts.

### 4 Finishes

Available in brushed stainless  
steel, chrome polished, matte  
black and oil rubbed bronze.

### Low Profile

Reduced flange footprints  
help keep the focus on your  
bathroom designs.
